IMPACT OF ILSTO

Our donor's faithfulness and generosity provided tuition assistance to 480 students this past year. We had a massive increase in outreach with a **73% increase** from the 277 students served in 2024. These are children and young people who might not otherwise have had the opportunity to attend our Lutheran schools, yet through your support, they are now able to learn and grow in a Christ-centered environment every single day.

Every morning these students walk through our doors, they are met not only with academic instruction but with the life-changing truth of Jesus Christ.

On behalf of our board, staff, teachers, students, and their families, thank you. Your partnership is making an eternal difference, one student at a time.

We remain committed to stewarding every gift with care and excellence, and we look forward to continuing this important work together in 2026. Together with Educational Savings Accounts, Iowa families can ensure their students receive an amazing education grounded in faith.
